CO-OP FUEL MANAGEMENT SYSTEM

CARDLOCK USER AGREEMENT

The following are the terms and conditions of the agreement between Federated Co-operatives Limited ("FCL"), the person (the "Customer") to whom the enclosed cardlock card(s) (the "Card") is issued and the retail co-operative (the "Co-op") from which the Customer received the Card. The use by the Customer of the Card indicates the Customer's acceptance of these terms and conditions.

Initial.

- Ownership of the Card at all times remains with the Co-op, and the Co-op or its agent may retake possession of the Card at any time on or after termination of this agreement. Upon termination of this agreement, the Customer must return the Card to the Co-op.
- 2. The term of this agreement is one year, commencing on the date the Card is first used by the Customer. This agreement will be automatically renewed for successive one-year terms subject to the various termination rights set out. At any time, the Customer may terminate this agreement by giving written notice of termination to the Co-op. The Co-op may terminate this agreement at any time on 30 days written notice to the Customer.
- If the Customer has more than one Card, the Customer is responsible for all purchases made using the cards provided.
- 4. The Customer may use the Card to obtain the petroleum products for which the Card is authorized from pumps (the "Pumps") in the CO-OP and TEMPO Cardlock network from time to time. The dispensing equipment is to be used by trained cardholders only and is not open for the use of the general public.
- 5. The prices to be paid for petroleum products purchased through the Co-op's Pumps using the Card will be the prices established by the Co-op for the Customer. From time to time, Co-op may change its prices.
- 6. The Customer agrees to pay for all petroleum products recorded by the Pumps to the Customer's account number until Co-op receives WRITTEN notice of the Card's loss. The Customer shall be fully and completely responsible for all such charges to the Card, regardless of how or who incurred such charges. Notice to the Co-op as defined in this paragraph will only be effective and thereby relieve the customer of any liability for further charges when the Co-op actually receives such written notice.

The customer confirms and agrees that he/she/it is fully and
unequivocally responsible for the safe guarding of its PIN number and
assumes all and complete liability for its safekeeping and use with
the cardlock card. The customer agrees that it must not disclose its
security (PIN) number and is fully responsible for the security of it. In
particular, the customer unequivocally covenants and agrees not to
write the PIN number on the card and shall assume full and complete
responsibility for the security of both the Card and PIN number

All accounts are due when rendered. Purchases of petroleum products from the Co-op are payable in full in accordance with the Co-op's credit terms. Purchases of petroleum products from FCL, other retail co-operatives and TEMPO dealers are payable in full each month. If the Customer fails to pay its account(s) within the credit terms, the Customer agrees to pay interest at the rate set from time to time by the Co-op or FCL, or both as the case may be, on the balance of the account(s) from the statement date upon which the invoice(s) appeared until payment is received by the Co-op or FCL, or both as the case may be. By example, if the Co-op's or FCL's interest rate for a 30 day account was 2% per month (24% per year) charged monthly, it would have an effective rate of 26.8% per year. The Co-op or FCL, or both as the case may be, will advise the Customer of

the actual interest rate and of any changes in its interest rate as required by law. The Co-op may suspend or limit the right of the Customer to use the Card until payment has been received by the Co-op or FCL, or both as the case may be. The Co-op has the right to terminate this agreement immediately and without notice to the Customer if any payment to the Co-op or FCL is not made when due. Payments which do not retire the account in full will be applied first to the interest and second to reduce the principal outstanding. If the Customer's account with FCL is past due, FCL will transfer the balance of the account to the Co-op. The Customer agrees to pay all costs and expenses incurred by the Co-op in the collection of any past due account, including legal fees on a solicitor-and-client basis.

- Co-op patronage will be paid only on petroleum products purchased at the Co-op's own cardlock and will be subject to the provisions of the Co-op's patronage policy.
- The Co-op has the right at any time to change the access mechanism or codes at the Pump. If the Customer is in default under this agreement or becomes insolvent or bankrupt, the Co-op may terminate this agreement immediately.
- 10. Neither FCL nor the Co-op nor any retail co-operative nor any TEMPO dealer is liable to the Customer for any inability by the Customer to obtain petroleum products for any reason whatsoever.
- 11. All notices required to be sent by the customer to the Co-op must be sent by any two of the following methods: by phone, by fax, by email, by registered mail or by personal delivery, all to the attention of the petroleum department of the Co-op. The Co-op may provide notices to the Customer by phone, fax, email or mail to the Customer's numbers or addresses as shown on his or her account application. The parties agree to notify each other of changes in their telephone, fax and email numbers and addresses.
- 12. If the Customer wishes to obtain additional or amended cards, it may make a verbal request to the Co-op, and if issued, those additional or amended cards will be subject to the terms and conditions of this agreement, even though they were not delivered with this agreement.
- 13. The customer acknowledges that it has received instructions in (a) the means of activating dispensing equipment using the Card, (b) the proper operation of the dispensing equipment and (c) the location and proper use of the emergency shut-off switches and the fire extinguisher. Only trained cardholders can use the cardlock dispensing equipment, which is not open for general public use.
- 14. The Customer agrees that it and every person to whom the Customer gives a Card (a) will not leave the dispensing equipment unattended at any time while it is being operated, (b) will control sources of ignition and (c) will not dispense petroleum products into containers that do not comply with fire regulations.
- 15. The customer agrees to indemnify FCL and the owner of the site from which petroleum products are dispensed using the Card against all claims, liabilities, demands, damages and causes of action, and all costs and expenses of investigating and defending them, including legal fees on a solicitor-and-client basis arising from the use of the Card or the dispensing equipment, including injury to a person or persons, including death and property damage including environmental contamination of soil or groundwater.
- 16. The Co-op may vary the terms by which the Card is to be used at any time by notice to the Customer. Any use of the Card after notice of a change is subject to the varied terms.
